Ice Cream Social

Santee, CA

The not-quite annual SDJC Ice Cream Social held on Saturday May 16th, offered up eight yummy toppings for sundae dishes of Bryer's vanilla ice cream, including whipped cream and maraschino cherries.

Curtis and Sandy again hosted this fun event in their sunroom and patio area. With the ice cream sideboard inside, the champagne table and Curtis outside cooking up his famous Bananas Foster, there was plenty of opportunity to eat, drink, and be merry.

It's always enjoyable to get together at the club events and share what's going on in our lives. With 32 people, we talked about the progress on garage enhancements, car makeovers, or changing cars, vacations, house remodels, new jobs, plans for the future, plus much more. Combined with the great weather and live entertainments we had a swell time.

The live entertainment was provided by the members of the SDJC String Band. They played a couple of old gospel tunes, a couple of old timey songs, and a couple of banjo songs. This band, recently

formed specifically to play at our Social, plans to keep meeting, learn new songs and find new venues at which to play. Thanks folks.

Thanks also to Sandy and Curtis and everyone who came out and spent a lovely afternoon with us!
