On Saturday, November 14, the San Diego Jaguar Club held its annual Election Dinner. Patsy Millard was our most gracious host and set up a beautiful evening at the Shores Restaurant in La Jolla. An hour was set aside for cocktails and chatter after which we settled in to dine. During cocktails and dinner, a slide show of our 2009 Concours d'Elegance played against a screen in the background. (Yes, we finally got it to work.) The venue, service and food were excellent; something we Club members have come to expect from an event planned by Patsy. She spoils us so.....

After dinner and during a delicious dessert, the Club was treated to a raffle with many fun Jaguar related prizes. My favorite was the T-shirt. After the raffle we got down to some serious business with Katherine Partain heading a business meeting. The meeting culminated with Katherine's announcing the results of 2010 Board of Directors election.

I don't think we could have found a more perfect venue. Club thanks goes out once again to Patsy Millard for hosting such a successful event.
