

Club members enjoyed an evening of dining at the Trellises Garden Grill in Mission Valley Saturday evening, March 12. The well-planned, well-attended event was hosted by Dan and Jorgene Jensen. Thirty-seven members and two guests enjoyed socializing and dining with live music. The ladies, as usual, looked lovely. Many were dressed in exciting Jaguar-related attire, and the men, as usual, drank a lot.

The food was excellent, as was the service. Dan and Jorgene were gracious hosts. Haley Holmes helped with the sign-in.

Harvey Williamson, Ali & Bob Proctor, Bob Harding & Tolly Williamson

The two guests, Bob and Ali Proctor, were guests of Harvey and Tolly Williamson. Bob and Ali have owned a mid 90s XJ-S for a while and recently purchased a 1967 E-Type 2+2. When you see how tall Bob is, you'll understand them wanting a 2+2. We all had so much fun that Bob and Ali joined the Club that very evening! Eight new members attended the event which, made it even more special.

Interestingly, Dan ran some figures and reported the average number of Jaguars owned by attendees that night was 2.5 (although he did have to admit that the figure was slightly skewed by Rex and Jullie Ryan, with their award-winning 8 Jaguars!). I know I own 1.5. If you've seen my MK IX recently, you'll know what I'm talking about.

Diana & Mike Hill with Al Steele

I kept the meeting short this time as I noticed several members glancing at the Exits when I stood up. At the end of the evening, several members stayed and enjoyed dancing to the live music. It was an excellent, beautifully decorated venue and a fun-filled evening. Many thanks to Dan and Jorgene!

**New Members attending:
Bob and Ali Proctor
Mike and Diana Hill
