On Sunday, June 12th, the San Diego Jaguar Club was invited by the Chula Vista Chamber of Commerce to display our Jaguars at their *Summer Sundays at Village Walk*. In addition to our display the event included a live music, freebees, and things for the children to do.

This year, the display area was much closer to the action. We had 13 Jaguars on display on a sunny and warm evening. Our Jags were all in place by 5:00. We socialized by the cars for a while, then some went shopping and some went to sip wine at the Brigantine.

At 6:00, all 20 of us met up at the Brigantine Restaurant where we enjoyed excellent service, delicious food and one another's company. A splendid time was had by all!
