The San Diego Jaguar Club celebrated the holiday season this year at the Trellises Garden Grill Saturday, December 17th. The annual gala event was hosted by Dan and Jorgene Jensen. The evening started with cocktails and delicious hors d'oeuvres. Haley and her friend Nicole manned the check-in table. It was an excellent time to reacquaint ourselves and meet several new members. We were served by strolling waiters as we mingled. The restaurant was festively decorated for the season.

Out of the 70 Club members attending, it was a pleasant surprise that 10 of them were members who had just joined this year.

The dinner and dessert were delicious, the tables were decorated beautifully and we all enjoyed one another's company.
