

# DRIVE TO HERNANDEZ' HIDEAWAY

Article by Dannie McLaughlin

*Mustering for the drive*

A spirited raffle and spicy food awaited the large group that turned out for a 60+ mile drive and lunch on Saturday, June 16. The drive started at North County Westfield Mall and wound around east county roads ending up at Hernandez Hideaway. The route covered a variety of roads, including the very winding and scenic stretch on Couser Canyon Road. It appears that Club members are enjoying the drives as 37 of us showed up for this event. And as always, Club members loved the raffle. No one is quite sure how it happened, but Paul Novak wound up with a lovely animal print scarf while Jim Roberts took home a beautiful faux leopard handbag. We'll see what Debbie and Frances have to say about who has final dibs on those prizes.
