On Friday night, April 5th, the San Diego Jaguar Club once again met at the Lake San Marcos Country Club for our annual New Members Night. This was the eighth time we have held this event where the main purpose is to give new members an opportunity to get to know other members with similar model Jags by having pre-arranged seating. There was an outstanding turnout with a total of 70 revelers. That included 10 new members – The Adams family (NO -not the TV ones with the funny music) but our own Bernie, Julie and son Cam with a guest, Ralph Baum, Wright Benson, Jon Cavuoto and guests, returning members Ed and Gail Hoffman, Peter and Charlie Lawrence, Matt and Kim Morris, Roger and Linda Prater, and Louis and Valerie Suter. Many publicly promised to return to other events and we plan on holding them to their promise or the Attendance Police will be paying them a visit.

We had great raffle sales thanks to Haley Holmes (we will miss her services when she goes off to the cold north and college). The new club projector was unveiled successfully. I think the general consensus was the food and service was even better than in prior years. Of note was the quality and creativity of the member's introductions as each member was asked to introduce him/herself and to tell us about their Jag/Jags. There were a lot of funny stories. (Did anybody else note the tear in Rex Ryan eye when he had to give up the mike? I think Rex has never met a mike or great car he didn't love.)

Night falls (obligatory artsy shot)

Someone let the cat out of the bag that it was host Nedra Rummell's birthday. The Club surprised her with a Champagne toast. She was so happy she has promised that Karen Holmes can wear her "Jaguar Ears" at next year's event.

The big Door Prize, a round of golf at the country club, was won by Harvey and Tolly Williamson.

Note from Stick: Grant and Nedra always plan and execute a flawless New Members Night. This was no exception. Thank you both for a splendid evening!
