Thirty six Club members rolled out of bed early on Sunday, September 7th, for the P&P Sunday Morning Drive & Brunch. The sun was out and the drive took us 15 miles down the San Diego coast. Picturesque coastal views at Solana Beach, Del Mar, and Torrey Pines served to increase our appetites as we wove our way south from the starting location in Encinitas.

We had a great turn out from new members who wanted to meet other club members and show off their Jaguar cars. We were happy to welcome David, Marie & Matt Allen, Dan & Luz Culp, Chris & Mitzi Eck and Dick & Jackie Tartre. It is great to see new members participating in club events.

I am happy to report that 13 cars started out from the Encinitas location and 13 cars arrived at the Fashion Valley end location. The biggest surprise is that yours truly did not get lost on the drive with my navigator, Ali, on the coast. Once at Fashion Valley, we joined in a private room at Dr. Andrew Weil's True Food Kitchen restaurant with members who had driven directly to Fashion Valley. All members enjoyed a nice brunch, good conversation, and a great raffle of Jaguar gifts thanks to Diane McDonald. We also got to see Tim Bennett awarded a Certificate of Appreciation, by club president George Klein, for the great work Tim did in supplying the SDJC Concours with banners and table cloths. Thanks Tim!

All-in-all it was a fun day and it is always great to see club members together and enjoying what the club represents. We look forward to seeing more members at the remaining 2014 events. Please check the Jaguar Tracks for information.
