JANUARY NEWSLETTER 1975

President's Column:

Well, here we go into a new year! Many interesting plans for club activities were discussed at the January board meeting. Events Chairman, Bob Atkins, had a list of things to do to keep us going all year if the gas situation will allow. You will be receiving from Bob a listing of the events he suggests and you get to vote which one you like the most and also may write in some special project of your own. This is being done in an effort for club activities that the majority can enjoy. You're off to a great start, Bob!

According to reports, our Xmas party was a huge success. Todd and Ellen Downing won the tree but couldn't quite cram it into their Jag on that night. However, the resourceful Todd has another car and late one night there was a knock on the door, Todd and Ellen stood there to claim their prize - in all the excitement we forgot to add the pretty ornaments but all in all I guess we all had a happy holiday.

Our January meeting was outstanding for the delicious veal dinner at the Top Shelf and the spirited bidding between Jim Bean and Bob Fitzgerald for two of the prizes. Never bid with Jim Bean, he'll get the prize every time.

Newsletters are going out to about two dozen interested persons with Jags or wanting to buy Jags. Please accept this letter as our warm invitation for you to come to our next dinner with any companion you may choose. You will find us a relaxed, informal group - and you don't have to bring another person, either if you don't want to.

We'll be looking forward to greeting you along with all the regular members.

Sincerely,

Chuck
