President's Column:

Our Rally in Rhyme last Sunday was "sumpin' else". Bob and Nancy Atkins came up with some very excellent rhymes and, Zingers, they had yours truly running all over Pt. Loma trying to find an Admiral (now I know its Nimitz, Blvd, that is, but on Sunday that wouldn't compute for me. I came in dog a -- last. Jim Poleski and his very able navigator Jan Cover, won First Place. Gaylord and Nylene Stickney were Second and Dick, Lorraine, and Tim Reed came in third. I believe this was a first time out on a Rally for all of these people but they coded like champions. A good Rally, Bob and Nancy, and many thanks.

Concour's Time:; All of you who have not entered your Jaguar, come on let's get in there! It's free, no entry fee, nine trophies to be won and with Bob Fitzgerald's careful scoring everyone has a chance. We have twenty-seven members, now would'nt it be nice to have twenty seven Jaguars lined up for everyone to admire? All you have to do to enter is to call Bob or Jane Fitzgerald and tell them the make of your car, the mileage, the year and whether you drive it for work or for pleasure, or both. Remember, everybody has dents.

Again, the Concours will be held on Saturday, June 14 from 2:00 p.m. until late afternoon depending on how long it takes the judges to go over the cars. We will have an area roped off for us at the Hanalei Hotel - we have judges that have been doing this for years so you can be sure of a professional approach to scoring your car- Bob says they are not going to look underneath so that means less work for you to get your Jaguar ready. Let's make this event one the club will be proud of.

See you there,

"CHUCK"

Our attendance was down at our last dinner meeting - those of you who didn't get there, we missed you. And you missed a delicious dinner, what portions the Top Shelf puts out! Guaranteed to increase the waist line.

We began our program of Jag members sharing their hobbies which everyone did enjoy immensely. All the women are wondering how they are going to follow the example of Cookie Burgess. She brought an album of her twenty-six cars including a fleet of Jaguars, T-Birds, and her adorable little Ford truck. She also brought just a few of her beautiful trophies which her cars have won. Isn't this an unusual hobby for this petite Jaguar enthusiast?

Following Cookie, Jim Poleski had the floor and while he insisted his Jaguar is his first love, he finally admitted that he sews his own clothes and makes his shoes. Like Cher, he says he was forced to sew them to make them fit. Afterwards, I thought Jim was going to get undressed by the gals seeing how he put the buttons on, etc. And he also made his leather belt - just amazing what this man can do.

Last to show us his hobby was Bob Fitzgerald. While some of our folks tinker with many hobbies, Bob has been building and flying small airplanes, he said since before his children were born and Bob is now a proud grandfather! He brought with him a beautiful glider which Jane held while Bob manipulated the controls. I sorta think if Bob was to invite some of us out to watch him in open country, he would have a crowd and Rocky Gallo was having some thoughts of taking this hobby up again.

Our June dinner meeting has to do with Jaguar owners receiving their trophies so we will have more hobby talks in July. Do come join us.

Sincerely,

Jay & Flack
