the dinner please mark your ballots and mail them to Ray Tetzlaff, Editor of JAGUAR TRACKS, 3255 Calavo Drive, Spring Valley, CA 92077. The envelopes will not be opened until the night of the election and then in the presence of the people designated to do the vote counting as per ARTICLE V, Sec. B of the BY-LAWS. It requires that ballots be counted by the Secretary and two members at large, appointed by the President. The results of the election must be announced at the November dinner meeting. Sec. C reads as follows; Officers shall take office on January 1 of each calendar year.

It is thought that allowing ballots to be mailed in will give greater expression of the wishes of the members.

In this election, as in past elections, the Editor remains neutral. He will vote but will make no comment or recommendations.

DON'T NEGLECT TO VOTE, EITHER AT THE DINNER OR BY MAILING IN YOUR BALLOT. PARTICIPATE.

ELECTION

By the Editor

One of the most important things that takes place each year. In these newly elected people we place the future of the Jaguar Automobile Club of San Diego, Inc. It is up to them to maintain a direction for the Club. Being an Officer in a club such as ours is a time consuming task and requires a certain amount of dedication.

The Election Committee under the guidance of Chairman Glenn Simpson has arrived at a list of qualified candidates. On Page 4 of this issue is listed in ballot form their names. It is divided so that each member of the member-team can vote. Bring your ballot with you to the November dinner, if you plan to attend. Your marked ballot will be placed in the ballot box. If you do not plan to attend

THE OCTOBER DINNER MEETING

October 12, 1979. The October dinner meeting of the Jaguar Automobile Club of San Diego was at the Sheraton Inn-Airport, 1550 Harbor Island Drive, San Diego. After the usual cocktail hour, dinner was served. The food was excellent, this was another of the great dinner events arranged for by Ute Lester, and we owe her another vote of thanks.

In the absence of Norma Shiner, Dick Fuller filled in with the birthday names and the anniversaries. He announced that he was unfamiliar with horoscopes and dispensed with the reading of them. Birthday people present were Les Lester and Glenn Simpson. Those with October anniversaries were Randy and Marilyn Prine and Bill and Bev Holle.

Randy Prine, President, asked for volunteers for the Homecoming event at El Capitan High School in El Cajon. They had requested about nine Jaguar Roadsters. The Homecoming Queen and her court are to make a tour around the track skirting the football field in the Roadsters. Randy also mentioned that due to the Equal Rights thing, some of the Court are males this year.

Bob Lakin was asked to announce plans for the October 21st trip to Sebastian's West Dinner Playhouse for Brunch and the stage presentation of "Oliver." He hoped to make reservations for a few latecomers.

Randy had read, earlier, a letter expressing the appreciation of the San Diego Zoo for the Club's efforts in raising money toward the purchase of a jaguar for the Zoo. The letter was signed by J. Dallas Clark, President of the Board of Trustees of the Zoo. At this time Randy announced that the Club was to name the two jaguars that are in the Zoo at present, a black male sponsored by our Club and a female sponsored by a couple →

from Virginia. The names selected will be officially entered in the Zoo records. The winner of the name contest is to be awarded 1980 membership dues.

Frank Kovach presented a very good slide show of the Monterey Historic Car Races and the Concours d'Elegance. This is probably the top Concours d'Elegance in the country. This year Rolls Royce and Bentley were featured. Frank was able to photograph many of them as well as some of the other exotic cars present. Frank also gained admittance to the pit area at the Ontario 500 on Labor Day week end and had some good shots of the race cars. The extra bonus was a number of views of our own Concours 1979. It was a very interesting show and was well presented.

Randy mentioned that Glenn Simpson was Chairman of the Nominating Committee and was open to suggestions of names of candidates.

Each year it has been the custom to present the Tuchscher Trophy to the owner of the Jaguar in our Club whose car scored the highest number of points in the annual Concours. This is customarily done at the first dinner meeting after the Concours. This year there was a delay of one month due to lateness of the scores. This year's winner was Dick Fuller with a score of 97.57 for his beautiful XK120 Roadster. Bob Lakin, last year's winner, made the presentation. Dick will keep the trophy for the next year.

With the introductions, there were quite a few donations to the Kitty by those who did not drive their Jaguars on this occasion. We had a large number of guests, many of them attending their first event.

SPECIAL

Editors Note: Bob Atkins who, with Nancy, was attending the first dinner meeting in several months and his second event since his accident in July asked me to write a few words for him. Bob and Nancy attended the last business meeting.

Bob wishes to thank his many old friends in the Club and the many new members who made him feel so welcome. He says this dinner meeting was one of the highlights of his life and it was great to be able to be out among friends again.

For myself and Ann, I want to say that we are fortunate to have Bob and Nancy active in the Club again.

SEBASTIAN'S

October 21, 1979. A pride of Jaguars, trailed by one lone El Camino and containing 26 people enjoyed a delightful journey to Sebastian's West Dinner Playhouse at San Clemente. The air was clear, the sky blue and the temperature ideal on this most pleasant Sunday morning following a rainy Saturday.

Drinks were enjoyed in the warm sunshine on the patio, a perfect interlude before lunch call. The food was delicious after which the curtain went up on a well staged "Oliver." For some of us the Cockney accent was a bit hard to follow but everyone on stage played their parts excellently.

The drive home from our Club events is a time to really enjoy being in a Jaguar tooling along the highway. Driving is fun again.

HALLOWE'EN PARTY

By Ute Lester

The Annual Hallowe'en Party which was scheduled to be held at the home of the Fullers, was shifted to the home of the Schoolcrafts, due to a family loss of the Fullers. This required Dick and Joan Fuller to travel to the

Mid-west suddenly

The late shift may have confused some as the original twenty-five trimmed down to fourteen. Still the party was very much a success. The costumes were wild and the dancing original and vice versa.

Rachel Fleet and guests were in Arabian Harem and Jaguar costumes. Schoolcrafts were a Cossack and a Flamenco dancer. Ingalls were a French maid and Harpo Marx. Simpsons were a cheer-leader and a pool shark. Lesters were Martians. Lee Fagot was a sheik and Gisela Kovach a showgirl.

Ute Lester won first place as a girl Martian. Les Lester was runner up. Les claimed he could have taken 1st if the batteries for the blinking feelers had not run down. (only boy Martians have feelers.)

We extend our thanks to the Schoolcrafts for the use of their home and the work preparations and to the Fullers who started the preparations and delivered them to the Schoolcrafts when circumstances prevented their plans.

EL CAPITAN HOMECOMING

October 26th. The Homecoming event went very well according to reports. The cars and drivers were accorded a nice reception. The people from El Capitan made our Club members feel at home. A short stretch of dirt was the only unhappy part of the evening.

Cars participating were Fuller (2), Kovach (2) and the balance one car each, Lakin, Lester, Flack and Prine. All the cars were roadsters as requested by El Capitan High School. In addition to the cars, Margie and Glenn Simpson were drivers as Dick Fuller was unable to attend. Rick Ingalls was official Club photographer.

PERSONALS

Bob Atkins went back into Grossmont Hospital on October 30th. He had further surgery on his right leg on the 31st. The surgery went OK and the doctors are optimistic about the results. It seemed that some infection had developed in the bone making it necessary to scrape the bone and remove some of the pins. Bob is in room 313 and the phone number of the hospital is 465-0711. Give him a call or if possible drop in for a visit.

It was announced at the October dinner meeting that Brenda and Kirk Brabant are the parents of a baby boy. Congratulations to you both.

We received a card of thanks from the Don Richards family as follows: "Dear ones - We wish to thank you for the beautiful flowers you sent Don at his Memorial Service.

It meant a lot at our time of sorrow.

Love,
Susie, Jim, Donice Richards"

Ray and Ann Tetzlaff had a short vacation trip. They visited Ray's sister and husband at Needles, California. From Needles they went to Parks, Arizona (near Flagstaff) to visit Ann's sister and her husband. They days were beautiful but the frost was heavy at night in that 7,000 ft. altitude. Ann was not feeling her best so the trip was cut short by a few days. The return home and a change in medication have much improved her condition.

Hallowe'en seems to get a little tamer in the Casa de Oro area each year. Only about thirty or thirty five tricksters showed up at the Tetzlaff home this year. None of the vandalism by larger pranksters was noticed this year.

Another reminder to VOTE either in person at the dinner or by mail. By the time you receive this news letter it will be time to get your ballot in the mail. They must be received by the Editor by Friday, November 9th to be counted at the dinner meeting so the results can be announced at that time according to our BY-LAWS.
