PRESIDENT'S MESSAGE

DINNER ON HARBOR ISLAND

The beautiful view of the harbor enroute to the Travel Lodge was a pleasant prelude to the October SDJC dinner. It was nice to see Granville Jackson, Nat Ward and Les Wegeforth in attendance, all clearly on the road to health. After dinner, Kathy Howard gave an excellent presentation on vehicle, home and hotel fire safety. It was a great reminder of how vigilant we must be to the hazards of fire in our houses and vehicles, and of the precautions everyone should take when staying in a hotel. Thanks, Kathy, for sharing your expertise with us.

BRITISH CAR DAY ATTRACTS 350 CARS

As expected, the annual British Car Day at the Del Mar race track infield on October 4th, yielded a heart-warming collection of 350 British cars of every shape and size. The event drew a good display of Jaguars from our club as well as from other local and out-of-area owners. Jim and Norma Shiner's XK-120 took "Best of Marque" honors and the SDJC team of Mary Lou Owen, Castle Phelps and myself won the "Prince of Darkness" trophy as we showed remarkable eye-hand-foot and mouth coordination in the tire rolling, spark plug installation and piston croquet competition. The British Car Council apologized to participants for the absence of food vendors. Food services had been contracted for but failed to appear.

CLUB BUSINESS

Computer purchased- As mentioned in last month's Tracks and as approved by the Club's Directors, the club bought a used IBM computer and a new Panasonic printer to make up a complete and operating system at a total cost of \$454. The system is in the custody of our Editor, Mary Knoerdel, and this issue of Tracks should be evidence of it's utility.

Questionnaire returns- I sincerely appreciate the efforts of those members who completed and returned the SDJC Activities Questionnaire from the October Tracks. Please, if you haven't already returned yours, send it along with your ideas to improve the club and/or indicate your willingness to lend a hand with one of the club's functions.

Dinner Chairperson/Co-Chairperson

The club has been very fortunate to have had a knowledgeable and dedicated member in Marge Denny who has found quality locations and arranged for our monthly dinner meetings for the past two years. Marge has requested to be relieved of the job next year and as a result, we are looking for a (person or persons) replacement. Do you have a favorite restaurant which has a room or area that can accommodate 40-60 people on a Friday night? At a reasonable cost? If you do, tell us about it. How's about arranging for the club to go there some month next year? Would you be willing to help coordinate the effort? Don't be afraid to just call me.

1993 SDJC ELECTIONS

As Election Committee Chairman, I've had the pleasure of working with the Election Committee composed of Jane Fitzgerald and Granville Jackson. A list of nominees have been developed to fill 1993 vacancies, which are the following:

President
1st Vice President
2nd Vice President
Secretary
Treasurer
Board members (2)

We are very pleased that Board Members Mary Lou Owen and Jane Fitzgerald will continue in the second year of their two year terms. Curtis Parker and Castle Phelps will be stepping down.

In accordance with Article VI of the SDJC By Laws, the slate was presented at the October dinner meeting. No other nominations were forthcoming at that time.

Therefore, a secret ballot will be presented to the Club membership present at the November dinner meeting to ratify the following slate of officers and board members for the 1993 SDJC year:

President: Dick Cavicke
1st VP: Steve Coakley
2nd VP: Dennis Crooks
Secretary: Marilyn Prine
Treasurer: Kathy Howard
Board Mem: Wayne Wynne
Board Mem: Granville Jackson

Please plan to attend the dinner meeting on Friday, November 13 so you can VOTE!

CHRISTMAS DINNER DANCE REMINDER

Saturday, December 12th 1992
Naval Air Station, North Island Club

Dress for this annual club event is semi-formal. It begins with a no host social hour at 7:00 PM, followed at 8:00 by a complete Prime Rib dinner and dancing. There is a requirement to make advanced payment and reservations and to obtain a Base pass. You may anticipate a call in November to confirm your attendance. SDJC subsidizes the cost of this event, as feasible, to keep the per person cost in the \$25-\$30 range. Marge Denny will again craft the very popular table center-pieces which will be given away in a drawing at the end of the evening. Also, as in previous years, members will be asked to bring unwrapped gifts to be given to a local charity; specifics to follow.

★ NEWS

According to the latest Customer Satisfaction survey by J.D. Power and Associates, Jaguar enjoys a prime position in the prestigious CSI poll. The results of surveys of owners of 1991 Jaguars have pushed Jaguar to fourth place in customer handling, joining Lexus, Infiniti and Acura in the top five. The survey also revealed a more than 20 percent improvement over twelve months in vehicle reliability, which validates Jaguar's own measurements of the significant quality improvements in its cars since acquisition of the Company by Ford.

PALM SPRINGS ROAD RACES

NOVEMBER 20 - 22

SDJC's November event is the 8th Annual Palm Springs Road Races, held on November 20, 21 & 22. This exciting vintage (and not so vintage) motor race is being billed as a tribute to Roger Penske and the 40th Anniversary of Corvette. It will be held on the roads and byways of Palm Springs. The Club has a first-floor track-side room for race viewing or you can purchase tickets and enter the track.

Hotel rooms are still available at the Courtyard Marriott in Palm Springs and the Club has a hard core of race buffs planning to attend.

If you can break away for even part of the weekend (a beautiful drive to Palm Sprigs) to join the rest of us, please plan on it.

For all details on this event -- from how to get there, to what to do when you arrive -- call Nat Ward at 566-6843.

See you at the races!
Steve Coakley

JAGUAR RACING, ETC. ●●●

The last IMSA race of the 1992 season was the Camel Grand Prix at Del Mar on October 11. It also was IMSA's farewell to Del Mar as they hope to hold future races in downtown San Diego.

Juan Fangio, had already won the driver's championship and clinched the manufacturers' championship for Dan Gurney and the Toyota MK IIIs at Phoenix. He then took the pole at Del Mar with Davy Jones in the Bud Light Jaguar XJR-14 in 2nd place alongside, in the first row, as the race started. Both cars broke the old track record by several miles per hour. Fangio shot into the lead at the start of the race, however, he pitted with a water leak after 9 laps and was forced to retire shortly thereafter.

Davy Jones in the Jag led the first half of the race (57 minutes) - then he was sliding sideways on the approach to the Firehouse Chicane. He brushed the wall and rolled over the curb backwards. He nearly lost a lap getting a nose job on the Jaguar.

"I don't know what happened", said Davy. "Under braking, the car locked up. The same thing happened last year at the same spot. The course bites me there". Davy was still running at the back of the lead lap, but the caution needed never came out. P.J. Jones in the second Toyota was running in first place. The with two laps to go, Davy Jones' Jaguar XJR-14 clutch gave out and Davy finished 3rd behind Geoff Brabham in the Nissan NPT 91C.

After the race, the kindest words of all came from Dan Gurney and Parnelli Jones. Gurney said, "Our real competition all year has been the Jaguar, Davy Jones has been driving in races that have been much closer than the results." Parnelli said, "I really felt sorry for Davy. He really drove hard all day."

ooo Thought you might be interested in the following GTP cars and drivers entered in the last race at Del Mar, listed in order of finish:

1. P.J. Jones, Torrance CA, Toyota MK III \$90,500
 2. Geoff Brabham, Lantana, FL, Nissan NPT 91C \$20,300

BRITISH WIRE WHEEL

1650 Monsfield Street
Santa Cruz, CA 95062
(408) 479-4495—information, orders
(800) WIRE-WHEEL—to request free catalog

We offer 5 main products: wheels, tires, splined hubs, knock-offs and hammers. We don't yet know everything about wire wheels—but we know more than anyone else!

WIRE WHEELS: We distribute for both Dayton and Dunlop (the major manufacturers of wire wheels), and can, therefore, discuss honestly the attributes of both. Our specialty is providing custom applications and offsets for racing or street use. We offer wider (than stock) wheels for most Jaguars, and made-to-order offsets, rim sizes, polished stainless steel spokes, tubeless sealing, and heavy duty wheels for vintage racing.

TIRES & TUBES: Our supply and range of tires for British Cars is second to none: Michelin, Avon, Dunlop, Pirelli, BF Goodrich, Firestone, (185x15, 640x15, ER70x15, 185x16, 600x16, 525/550x18, 205/70x15, 215/70x15) — with proper mounting & balancing.

MINI-LITE REPRODUCTION: The wheel to the upper right is our superb alloy reproduction of the Mini-lite spline-drive wheel (direct-bolt also available) for E-Types. Available only as 15x6—a beautiful alternative for vintage racing, show, or everyday use.

WIRE WHEEL RESTORATION: Our restoration services are the best: basic reconditioning/truing, concours restoration, Borrani rebuilding.

CONVERSIONS TO WIRE WHEELS: From XKs to XJs, we offer conversion kits to change from disc to wire wheels for most Jaguars (factory, knock-off, and direct-bolt kits are available).

TIRE CUSTOMIZING: We add whitewalls or redwalls through our cold-vulcanizing process --from 1/4" to 1-1/4" stripes.

SERVICE/PRICES: Our prices are consistently the lowest. When you call, you'll speak with either me (Bruce), Richard or Jennifer—no clerks, no secretaries, no salespeople. Our inventory is the largest, most comprehensive in the U.S. Our fine reputation has been built on 10 years of honesty, knowledge, and enthusiasm. We offer no gimmicks or "specials." When you buy from us you are assured that you will receive the finest service and quality merchandise at the lowest price.

MISCELLANEOUS: We offer chromed (original equipment) alloy wheels for XJs on an exchange basis, and maintain a small supply of reconditioned used wire wheels from fair to excellent condition for most Jaguars.
