NEWS FROM OUR MEMBERS

In remembering D-Day with all the heroic action by young American men, it's so pleasing to know there will be a "Wall of Liberty" located in Caen, France. On that wall will be the name of my late husband, Robert Lakin, who flew that day over Normandy!

Marlys Lakin

ANNOUNCEMENT: of becoming a Grandmother. Not "flesh of our flesh nor bone of our bone" but a lovely baby boy to bear the name, Graeme Robert Lakin. To be mothered by Marti, Auntied by Andrea, and loved by all three of us. Born March 21, 1994

Marlys Lakin

Congratulations to Dennis Crooks and John Phillips for scoring First and Second in their class at the Palos Verdes Concours. New member Dayle Sieglinger also attended. I did not receive her score, but I understand there were a lot of high-point cars competing in her class.

IN THE REAR VIEW MIRROR

By Bob Fitzgerald

- In 1974 the SDJC president was Bill Sloan.
- Cleo Adams, and Dr. Merle and Ida Hayes McPherran were made Life Members in recognition for the tremendous amount of work and interest they have put into the club in past years.
- On April 21 the SDJC staged a rally to Barrett Lake Junction for dinner. The rally was about an hour's run through the back country. Jane and Bob Fitzgerald lucked out by winning the first place trophy. There were thirteen cars present at the end which represented 30 people enjoying the "fish fry" and delicious hush puppies. (brought a dozen of those little goodies home on the 1994 run and next time it will be three dozen)
- Once upon a time there was a little ol' Jag Club and when new members joined they were told, "It's your Jaguar that is joining". Only the men carried the card of members and when a vote was taken, everyone said, "There is only one vote". Unless a lady was lucky enough to own a Jag, that was the case. The spouses played a large part in the club activities and couldn't vote. Never again, the club officers voted that each person shall have a vote, two votes per car if one car is primarily represented in the club (no votes for more than one car), and the SDJC lived happily ever after.
- More 1974 events next time around. Howzat!

PRESIDENT'S MESSAGE

Well, here it is, June already. This is a great month. The Indy 500 and my birthday within a day of each other (the same day this year). Harvey Ruben is off to the Indy 500 and I hope he will share his experience with us when he gets back. Speaking of Harvey, he put together a fun outing to the Thomas Yeager winery this past Sunday. A very pleasant and laid-back day. So laid-back, in fact that we never got around to awarding prizes for our "concours" in the parking lot. Prizes will be announced and awarded at the June dinner meeting.

Marge Denny organized the May dinner-do at Albie's Beef Inn and it was great. Very good food and as usual some very nice table decorations. Marge, you done good! Thanks from all to you, Tom.

Granville and Dorothy are off to Germany for a month and the Raffle was entrusted to Dick Cavicke's capable hands.

The Judge's Training held on the 14th of May was well attended and we saw quite a few new faces. Don't think that this lets the rest of you off the hook, tho... We still need all the judges we can get. There will be another training session in June, on Saturday the 18th. I would like to see some more of the ladies involved (so Mary Lou Owen won't feel so lonely), so come on, it's really not that difficult. We're all pretty patient and Dick's a good instructor.

The Ames Private Museum tour is coming up on Sunday the 5th of June. Les and Oma Wegeforth have set this up and if you don't get on board, you may never get the chance again. Come on out for this one!

The June dinner meeting will be at the Stone Ridge Country Club on Friday the 10th. It's up in Poway so I hope we'll see some of you North County residents. Mary Lou Owen is organizing and says its a very nice place. See YOU there!

Tracy

SDJC WINE TOUR

The Thomas Jaeger Winery outing, arranged by Harvey Ruben, was a great success. It was a picture perfect day, a beautiful setting overlooking the rolling hills and valleys of the wine country. Joan and Steve Coakley, Marge and Glen Simpson, Carla and Tom Clardy, Geri and Doug Stinson, Karen and Stick Holmes, Tim and Virginia McManus, Tracy Hazelton, Harvey Ruben, Marilyn and Randy Prine, Mary Lou Owen, (all decked out in a shiny gold cap), Jeffrey Frank and guest, Lute and Carol Eldridge, Tom and Kathy Stevens, and the Wegeforths, Oma and Les, turned out for picnicking, wine tasting and tire kicking. Tom and Marge Denny, Liz and Jack Butler, Pat and Bob Harding were engrossed in a heated game of croquet. Norma Shiner shared sips of her special bottle of Merlot (which Jim bought for her for being such a good sport driving in their XK 120 with the top down) with an eager bunch of wannabe wine cognoscenti. We hope to have this event again next year in the same perfect setting.

Jaguar Continues Strong Sales Trend in April

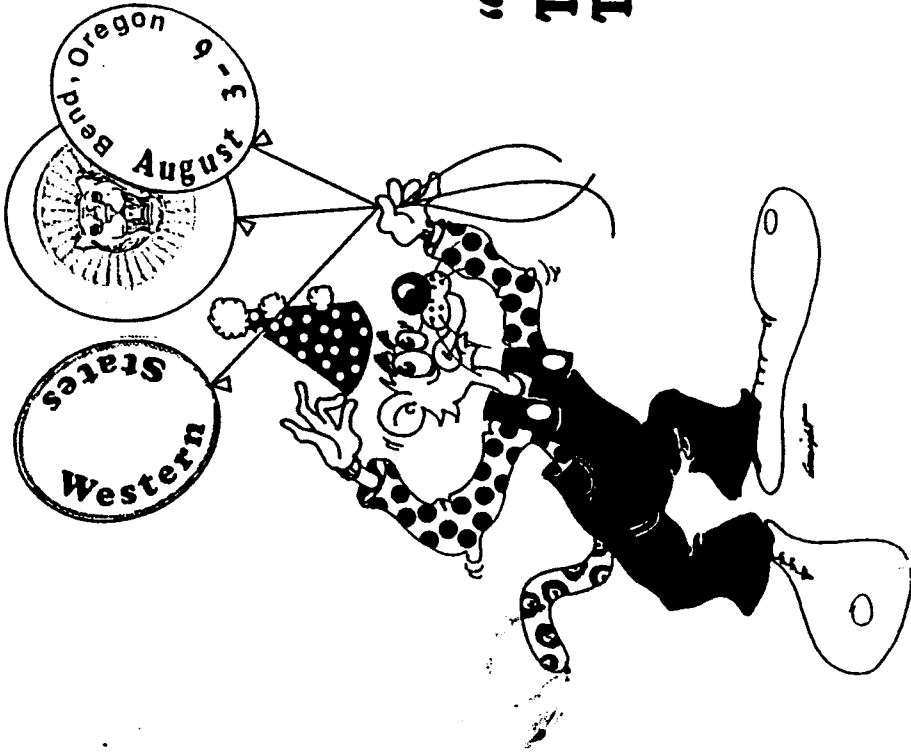

May 5, 1994, Mahwah, NJ -- Jaguar reports a sales boost for April of more than 35 percent for the month, compared to April 1993. This April, Jaguar sold 1,368 cars, compared to 1,011 in April 1993. Jaguar's year-to-date sales have jumped more than 22 percent, to 4,384 units (3,572 - 1993).

Jaguar sold 488 XJS models, which is the highest monthly sales since December 1990, and sets a U.S. record for XJS sales for the month of April.

Sales in the northeast recovered strongly in April following three months of adverse weather. Despite the bad weather conditions, Jaguar sales for the first quarter rose by 18 percent, helped by a 33 percent increase in March. In the same period, buyers in the sunshine states of Florida and California boosted sales of XJS 4.0 liter convertibles by nearly 80 percent.

Michael Dale, President of Jaguar Cars North American operations, said: "I think luxury car buyers in North America feel that Jaguar is a pretty smart buy right now. Our competitive, industry-leading lease package has helped us take a larger share of the market from our competitors, and this strong showing in the first third of the year bodes well for the remainder of 1994. Our forecast for this year is to sell more than 15,000 cars."
