Notes about our Members

There was an interesting gift given to the Club for the January raffle by Dennis Crooks. You may know that Dennis is a ski enthusiast and he has developed some pieces of equipment for his sport. He has now put into production a multi-purpose deodorizer and drier for boots, sport shoes, etc. The drier is of very streamlined plastic material with a blower which uses no heat to accomplish the task of deodorizing and drying and works on 120 volt AC (with a built-in transformer) or 12 volt DC. The unit is very light and portable and a self-contained battery back-pack is under development.

IN THE REAR VIEW MIRROR

By Bob Fitzgerald

- More about the people and events of the SDJC in 1977.
- The annual Rally-in-Rhyme was staged by the Coronado Sports Car Club in May and as usual the SDJC was invited to participate. Jane Fitzgerald said that she and Bob had never been lost on a rally, but they did arrive in time for Steak and eggs and cool bloody Marys.
- Dick Reed suffered a heart attack on May 30th. Lorraine immediately summoned aid. He was in the intensive care unit at the hospital for 3 days and remained in the hospital for 10 days.
- A caravan, including 10 Jaguars, an MGB driven by John Dillon, left the College Grove Parking lot for a "fish fry" at Barrett Junction. The Jags were all E Types except for Don McClane's XJ6. Glenn Simpson was taking a last ride in his beautiful red V12 Coupe which he had sold and the new owner was soon to take possession.
- Cleo Adams, Charter SDJC member, was transferred to the Beverly Manor Convalescent Hospital where she will remain until her daughter can make arrangements to be with her at Cleo's home.
- Bill Tuchscher suffered heat prostration and died while on a motorcycle outing in the desert area. Bill was not only active in the SDJC, but also built and raced hydroplanes. He was the owner of the South Bay Motorcycle Agency. Services were held on May 25th. In his honor, the Tuchscher Trophy is awarded to the SDJC member scoring the most points in our Concours d'Elegance. Jim Shiner was the first member to receive the perpetual trophy which was presented by Bill's wife Olga.
- Dick Reed passed away on July 4th. He applied for medical retirement and expected approval the following week. Dick loved automobiles of all origins, but Jaguars in particular. He took an active interest in all SDJC events and was a credit to the club.
- This half year in 1977 was sad for the SDJC. I'll try to finish the year on a somewhat lighter note next time.

Oh, Wheelie?

Southern California is home to many publications devoted to helping people sell their used cars. The listings have a vocabulary all their own; understanding it is essential to avoid getting lemon-ized.

What it says:

Must sell

Runs fine

Needs some body work

Well-maintained

Looks like new

All original

Loaded with options

Never smoked in

Project car

Lots of potential

Needs minor repair

What it means:

Before it blows up.

I was going to say "runs excellent," but I had a last minute conscience attack.

Was blindsided by a Winnebago.

I changed the oil occasionally.

Just don't try to drive it anywhere.

I never had anything fixed, adjusted or replaced.

Each one more troublesome than the next.

Unfortunately, that's the best thing

I can say about it.

Doesn't run.

Doesn't run.

Doesn't run.

PRESIDENT'S MESSAGE

Here we are again...

January has been a very wet month here in sunny San Diego (and elsewhere). Had lots of small leaks in the roof at Jaguar Specialists and I spent quite a bit of time on the roof patching. I hope none of you had similar problems.

January's dinner meeting was a great success. Quite a turn-out. The food was very good and the price was also. Diane Ward did a great job getting it all together.

At the last business meeting Joan Coakley volunteered to head up the Dinner Meeting Committee. If you have a favorite restaurant you think would suit the club's needs for a meeting please contact Joan at 479-8201.

The business meeting at Randy & Marilyn Prine's home was well attended. We all had a great time getting the tour of their 1920's vintage home. Marilyn put on a plentiful and tasty spread of hors d'oeuvres and dessert. Event with all the socializing we got a lot of business done. Thanks Marilyn and Randy. The next business meeting will be a Marge and Tom Denny's home.

If you would like to volunteer your home for a meeting please give me a call either at work (279-5791) or home (660-7387).

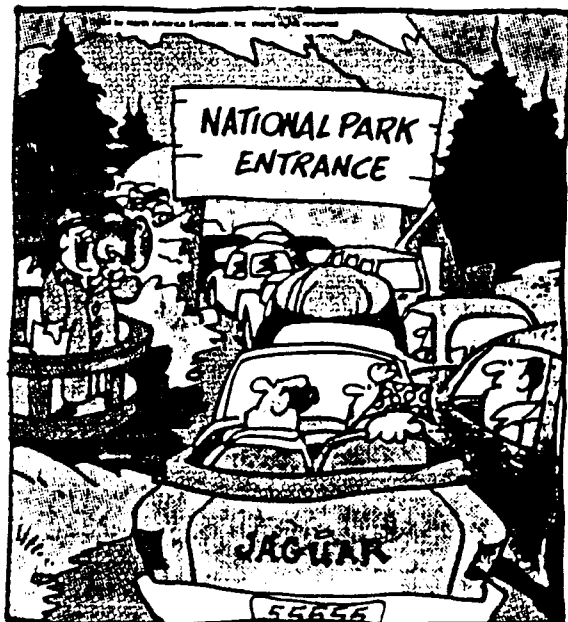

The events committee will be co-chaired by Harvey Ruben and Jeff Frank. A spring wine tour is in the works already. A wild flower tour in a month or so would be fun, can anybody help set it in motion? A date has been selected and submitted to J.C.N.A. for the concours. Curtis Parker and Harvey Ruben will co-chair the Concours committee and August 6, 1995 is the tentative date. If you can help, please give Curtis or Harvey a call.

The Cal Clubs 1995 meet is coming up in early May...May 5th through 7th to be precise. Registration info will be found in this issue. If you plan to attend, register early.

Membership renewals have been somewhat slow up to now. We have to submit a list of members to JCNA by Feb. 15th along with payment of dues. If you haven't yet renewed, and you intend to do so, please get it in the mail to: Randy Prine, 3226 Brant Street, San Diego 92103.

'Till next time...
