PRESIDENT'S PURRS

I can't believe it but summer is here! That means the first half of 1996 is over and gone. Our club has enjoyed many special events this year which were arranged by our board and the generosity of its members. I would like to thank Jan and Jay Burton, our hosts for the May Board Meeting, aboard their beautiful fishing boat. It was a delightful evening under the stars.

Our co-joint May event with the Los Angeles Club was also very exciting. My thanks to Tim Tunnell and Julie Gladish for an excellent job in arranging the event including the filming of the Jaguars on caravan to the San Diego Auto Museum. Our club sponsored dessert consisting of popcicles and ice cream sandwiches served from a mobile ice cream cart. Yum, yum.

In June, Oma and Les Wegeforth treated the club to a private tour of the Granger Music Hall, proceeded by Sunday brunch at Jake's Restaurant, overlooking Chula Vista Marina. The highlight of the day was Les telling stories about his grandfather, Ralph Granger, the music hall, and Les growing up around it all. A real tear jerker.

As you're reading this column yours truly and a number of other club members are at Western States in Napa Valley. I'll report on it in the August newsletter. I'm excited to visit Napa again and a first crack at slaloming my baby. My helmet is packed for the trip.

Our club membership is growing steadily. We now have over 100 memberships. The 1996 Rosters were distributed at the June Dinner Meeting at Kountry Komfort. Thank you Glenn and Margie Simpson for arranging the venue. The Rosters will be available at the Concours for those who couldn't make dinner.

The rest of our year is planned and should be fun. Plan on attending the LA Concours on July 28th and our Concours at Marina Village on August 4th. The new Jaguar dealership in town is Cush Jaguar. They've been invited to participate in the Concours.

Happy Jagging.

Harvey

WHO'S NEWS

Several of our members celebrated SDJC anniversaries in June. In 1974, Louise and Bryan Powell had just moved to San Diego from San Antonio, Texas. Bryan saw an ad in the newspaper for a car clinic at Bob Atkins' house, went over to investigate and find out more about his Jaguar, and promptly joined the club!

Marlys Lakin has been a member for 20 years. She and Bob brought their '72 E-type to our 1976 concours, joined the club, and Marlys says she has loved every minute of it. She's the lady who plans our wonderful Holiday Dinner each December.

Other June anniversaries are Geri and Doug Stinson, members since 1986, In 1993 Brian and Sheila Anderson, Jim Gerrard and Joe and Rose Salemi joined us. Jack and Liz Butler were reinstated in June, 1994, but Jack was a member back in 1979! Phil and Sally Burgess joined in 1995.

In July, 1988, Dorothy and Granville Jackson joined SDJC, and in 1990 were voted Most Valuable Members. Goran Freske has been a member for two years and Juanita Taylor and Martin Goodman joined us in 1995.

Many thanks to Castle Phelps for the new Member Roster. It looks great! Copies were handed out to those members attending the June dinner and will be available at the July Dinner Meeting at Qwiigs and also the Concours in August. Please pick up your copy and save the club the \$1.00 expense of mailing it.

Botique News: from Roger Townsend: As it is impossible to carry all botique items in inventory, the best solution is to make available to club members the current catalog which lists and shows Jaguar related merchandise. Any item in the catalog can be special-ordered through the club at great savings over retail prices, and at the same time create revenue for the club treasury.

Catalogs will be available at dinner meetings. Be sure to take one. Even if you don't think you need one now, birthdays, anniversaries and special occasions always come up, and you may just want that special Jaguar item yourself.

Botique Special for July: What is the special this month? How about Jaguar pins, not the animal but the car? We have just three E-type pins left at \$10 each plus \$1.50 shipping. Call me at 619-582-9040 or pick one up at the next club activity and save the postage.

The men's Jaguar Club watches are sold out, but we still have ladies' watches at \$35 each including battery this time. It's time to buy!

Old Business: Randy opened a discussion on the new name the Los Angeles Club has adopted of Jaguar Club of Southern California. He and several others felt it was inappropriate of the L.A. Club to consider a name that implies that their group exclusively serves all of southern California. Especially since we were not advised or consulted prior to the change. It was suggested that our club voice our disapproval of this name change to JCNA. Harvey responded that he would not as President sign any letter of protest without first determining if there was any legality in the manner the LA Club handled this name change. He suggested that Randy as Regional Representative write to protest in this capacity. The discussion concluded with the suggestion from Harvey that some research be done to determine if the L.A. Club had followed JCNA procedure in changing their name.

Adjournment: 8:55 p.m. Thanks to Jay and Jan Burton for hosting the board meeting on their boat and for the great refreshments. Next business meeting June 19, 6:30 p.m., location to be announced.

Respectfully submitted, Mary Lou Owen, Secretary
