PRESIDENT'S PURRS

December, 1996

I want to thank my fellow club officers, board members and committee chairs for making this year so rewarding for me. I've had a great time serving the Club. My experiences have always been worth the commitment.

My trip to Napa, California, for Western States was delightful, and I met many wonderful new people there. But, the real highlight of the year has been getting to know many of you much better. You're a talented group, and I'm proud to have had the opportunity to be your President.

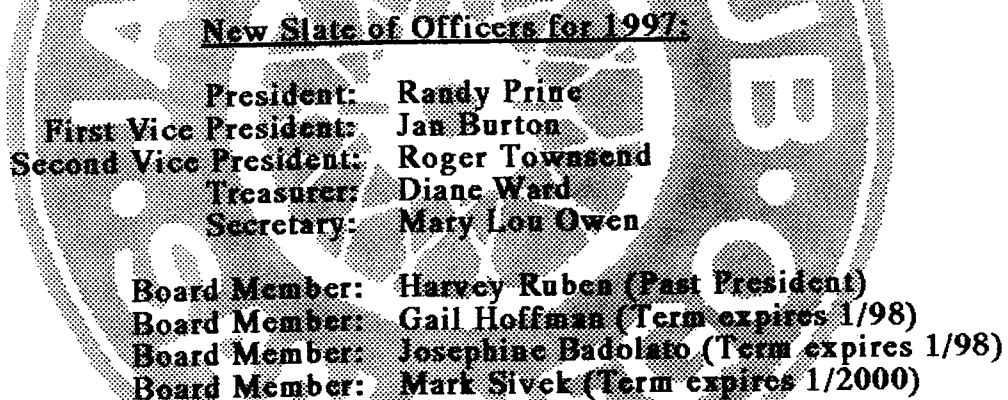

This year our membership numbers have increased and our relationships strengthened with JCNA, Cush Jaguar and our good neighbors to the north, the L.A. Jag Club.

1997 will be ably directed by Randy Prine and a motivated board. Rest assured I plan to remain active.

I wish all of you Happy Holidays and a healthy New Year.

Happy Jagging!

IN THE REAR VIEW MIRROR

by Bob Fitzgerald, Historian and Editor Emeritus

- President of the SDJC in 1984 was Marian Butler.
- New members in January were Fritz and Loretta Hines. In February John Carr, Richard and Vickie Ezneker, Ross and Hilda Redward, Harvey and Tolly Williamson joined the fold.
- In March the club was saddened by the passing of Ann Tetzlaff. Ann had been very ill for some time. She and husband Ray were Life Members of SDJC. Her cheerful and warm personality will be remembered by all who knew her.
- There were 17 cars making the brunch run to Camp Pendleton Officers Club in March. Bob and Marlys Lakin let the group on a beautiful drive through Rancho Santa Fe and on to the club. SDJC members on the drive were the Butlers, Millers, Manocks, Simpsons, Deannys, Fitzgeralds, Shiners, Powells, Jim Rahm and Margaret Rowland. A good time was had by all.
- New members in April were Jim and Sandy Milley.
- The Butlers, Ogles and Ray McFarlan went to the Vintage Grand Prix races in Carlsbad to watch Bob Caro race in the events. From all reports he did a good job even if he didn't garner a first place.
- New members in May were Tim and Debora Mills and John Howard.
- The Butlers, Millers, Enghs, Fitzgeralds, Hardings, Simpsons, Hodges, Manocks and Mary Lou Owen made the trek to Riverside for the IMSA races. Group 44 didn't make it due to the 24 Hours of Le Mans race. All was not lost however as Jan Miller and Pam Hodge celebrated their birthdays (their gifts were unmentionable).
- More on the SDJC people and events in 1984 next time.

Howzat!

We were sad to hear that Henry Krisel passed away last month. Henry was a past member of our club who attended our Concours d'Elegance and represented us at the Western States in 1988. Henry was extremely proud of his '67 420 Saloon. He made a video of himself driving his beautiful 420 through Rancho Santa Fe. Henry will be missed by us and at Jaguar functions throughout Southern California.

AUTOMOTIVE MUSEUM

NEEDS YOUR HELP!

At the November Board Meeting, the club voted to sponsor a XK-120 Roadster which has been donated to the Automobile Museum in Balboa Park. Our sponsorship is for our time and expertise, not financial. Bill Kellner is in charge of the restoration and has submitted a list of jobs that need to be done, as well as tax-deductible donations of equipment and parts:

1. Clean mud and grease from front and rear end.
2. Rebuild master and wheel cylinders.
3. Remove stripped block and transmission.
4. Inspect clutch and replace if necessary.
5. Check all main and rod bearings.
6. Remove pistons, inspect rings and "mic" bores after honing.
7. Construct engine.
8. Remove viewable harnesses, clean, re-color outer covers, put back on car.
9. Remove and polish chrome pieces.
10. Remove seats for refurbishing.
11. Treat interior leather with "Hide Food".
12. Remove interior carpeting, etc., for cleaning or renewal.
13. Clean and paint exposed chassis.
14. Clean and treat rear leather spring gaiters with "Hide Food".
15. Strip car for re-painting and replace after painting.

Needed: Lucas SLC-700 fog lamp unit with clear convex lense and chromed "Bullet" in center. Do not need the entire lamp, just the light unit. These are 7 inch lenses which used to be called, "flame-throwers".

Equipment: Small milling machine, sand-blasting cabinet, steam cleaning machine. Any other tools or equipment are gratefully received and tax-deductible.

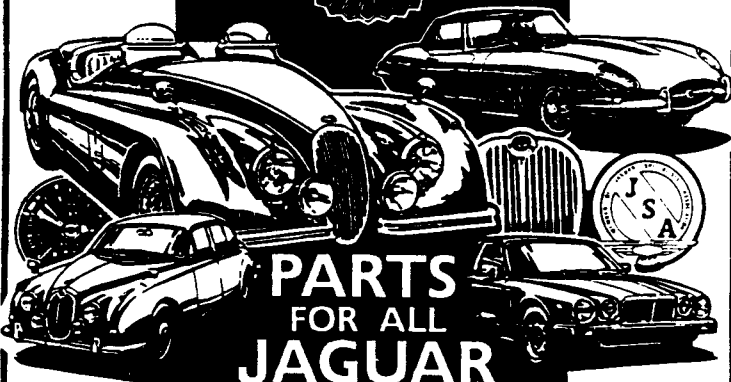

The restoration shop is located at 12th and Market and is open Wednesdays and Saturdays. Give Bill a call at 745-8342, if you have any questions.

Wednesday, January 15 - 6:30 p.m. - Business Meeting - Location To Be Announced

IMPORTANT NOTICE!

At the November Business Meeting (11/13) the problem of ever-tightening Smog Regulations was discussed. Those of us who own and drive classic cars are particularly concerned. If the new proposed "Smog II" rules are enacted, vintage cars could be precluded from being driven. After painstaking research, countless hours of labor and thousands of dollars in restoration costs, the cars could not be registered because of Smog Requirements demanded by the State.

The Jaguar Owners Club, Inc. (L.A. area) had an excellent article addressing this problem in their current newsletter. A proposed letter was enclosed which requested State Senators and Assemblypersons make an adequate study of the effect of such rules on the millions of citizens who would be economically devastated before they enact them.

We have drawn up a similar letter and will have it available at the Holiday Dinner Dance, along with information on your State Senator or Assemblyman. Please let your elected officials know we do not want our vintage automobiles to become nothing but museum pieces.

SAN DIEGO JAGUAR CLUB
BOARD MEETING
NOVEMBER 13, 1996

Call to Order: By President Harvey Ruben at 7:02 p.m., in the home of Nat and Diane Ward. Present: Roger Townsend, Bill Kellner, Dick Cavicke, Tracy Hazelton, Jan Burton, Joyce Sibley, Randy and Marilyn Prine, Mark Sivek, Chett and Pam Chew.

Minutes: Approved as printed.

Treasurer: Diane reported a balance on hand of \$1,997.86. She will be billing 'no-shows' for dinner. Projects we will start New Year with a \$1,000 surplus. Discussion on possible uses tabled until after first of the year.

Membership: Roger reported 110 paid memberships, and renewals for '97 being received. Harvey has details on "Leaper Program" put together by JCNA to assist local clubs to increase membership. He will give to Randy and Roger for review. Voted into membership were Harry and Doris Allgawer and John and Marilyn Greenbush.

Hospitality: Pam suggested we revive the greeter program of a few years ago where specific members assigned to greet and introduce new members at dinner meetings.

Dinners: Holiday Party on Dec. 14: Roger has booked the band, "Melody Makers", Diane to receive reservations and return gate passes. We will send invitations to the Cushman's, Stein's and Joe Hernandez (Dist. Manager for Jaguar) to be our guests. It was decided to support the North County fire victims with our donations at this year's party. The Red Cross is in need of cash donations, so club will accept cash or checks made out to Red Cross, specifying the North County Fire Victims. Discussed location for January dinner. Jan Burton suggested Kona Kai and will get more details for newsletter.

Events: A fish fry at the Barrett Junction is planned for January.

JCNA Business Meeting: Randy (SW Rep.) attended this meeting in South Carolina in October. (See Randy's report in Nov. Newsletter). Regarding the Jaguar Owners Club, Inc., of Southern California (formerly Los Angeles) name change, Randy received a call from David Iwerks, President. He will present this matter at their Dec. Board Meeting to see if their members wish to withdraw "Southern California" from the name change due to the objections by SDJC.

Newsletter: Marilyn needs articles and reports on or before Nov. 20, so she can publish newsletter before Thanksgiving.

Chief Judge: Dick has received a video produced by the Jaguar Club of New England covering an XK tech session. He will preview with some of our members to see if the club is interested in purchasing a copy. A Judges'/Tech session is planned early part of next year.

Museum: Dick reported California legislature has reopened discussion on Smog II. As it now stands any car designated a "gross polluter" must be fixed with no limit on the cost. In the future there is a possibility that these cars could be confiscated by the State.

New Business: Bill Kellner moved, Tracy seconded, that SDJC sponsor the XK-120 that has been donated to the museum for restoration. This sponsorship is for time, expertise and not financial sponsorship. The museum restoration shop is located at 12th and Market and is open Wednesday and Saturday. Bill will put together a description of the tasks and expertise needed as well as his number as contact person. Motion passed.

A motion was made, seconded and passed to rent a post office box for use by the club at a central location. Randy will rent the box at the Midway post office with the intent that this would be a permanent location. Diane volunteered to print labels on her computer for use by the club. She will be reimbursed for cost of supplies.

Adjournment: 8:40 p.m. No formal business meeting in December, however, the new Board will meet for a planning session.

Thanks to the Ward's for their hospitality and great munchies.

Respectfully submitted,

Mary Lou Owen, Secretary
