JCNA AGM

The Jaguar Clubs of North America met in Tysons Corner, Va. March 25-27. Randy and Marilyn Prine, Dick and Ginny Cavicke, and I were your representatives. Dick was installed as the S.W. Regional Director for 99/00. I attended workshops on the Sponsorship Program, Slalom review, Newsletter Editors and the Leaper Program. The information will be passed to those concerned.

AUTO SHOW

The show was great, especially when I was able to recruit John Stanhope of Cush Jaguar (above) and Nita and Bob Bryson of Escondido. We got a lot of coverage while showing off the new S-Type.

Nita and Bob joined us at the Liaison so they are off to a flying start with the club, as they also won a raffle prize! They plan to participate with their. 95 Metallic Blue XJS convertible.

TRACKS

Thanks to the efforts of Ed Hoffman, the Club Emblem has been approved by Jaguar Cars as shown on the front of Jaguar Tracks. (We had to turn the jaguar around to show his other side!) they have submitted to us a Trademark Assignment and License that will be reviewed by our Parliamentarian Nate Ward. The Board has directed that I sign and return it to Jaguar Cars if Nat's review is satisfactory.

Congratulations to Jim Roberts for his JCNA National Win of D-3 Class for his 69-E-Type Roadster. It was an honor and pleasure to his trophy at the AGM.

Cush Service Department announced that Peter Glynn, a Jaguar Master Technician will be one of three from this district to compete in Mahawah, NJ. this June. The winner will receive an all expense trip to the UK.

IN THE REAR VIEW MIRROR

By Jane Fitzgerald

...continuing into 1990...

- ⊕ March 18 was our wine tour to Maurice Carrie Winery in Temecula. 17 Jaguars left Mission Valley at 8:00 A. M. picking up 20 more SDJC Jaguars in Rancho Bernardo. From there caravanned north to a rendezvous point in the Temecula area where we were joined by 60 some Jaguars from points north. There were many from the Los Angeles Jaguar Club, thanks to the efforts of Tim Tunell. From our club Chet Mancock drove his SS100 and Castle Phelps his D-Type. From the rendezvous point we drove east to the winery and the nearly 1.5 mile long parade of Jaguars was most impressive to see. Most models were represented starting with three SS100's through and including a new Watkinshaw prepared XJS. It was truly a "great event", good friends, great weather and beautiful Jaguars. It doesn't get any better than that.

- ⊕ An excerpt from SDJC minutes of April 11: the Fitzgerald's XJ6L took the count on the way to the business meeting. The culprit proved to be a broken alternator belt which allowed the battery to die and without which fuel injection refuses to inject. Where else but in the SDJC could you find someone to come pick you up (Dick Miller), attend the meeting, take you home (Pat and Bob Harding), and pick the car up off the side of the freeway and fix it the next morning (Denny Crooks). No one will ever know how thankful we were that the Jaguar was still there the following morning.

- ⊕ And 1990 goes on next issue.

As my guy would say,
Howzat!

**TEMECULA WINE COUNTRY TOUR
and
POKER RUN**

SUNDAY, MAY 16, 1999

This month Rallymaster Glenn Simpson and assistants Norm Bild and Bob Anderson have put together a slightly different ride. This is a chance to take your Jaguar for a drive through the beautiful Temecula Valley; taste some award winning wines; visit Old Town Temecula; and try your luck at a brand of traveling Poker rally that requires no driving talent, no navigation skills, no card playing instincts, but just a little bit of luck. Prizes will be awarded on the basis of Hi-Lo rules.

Assembly Point: Parking lot of "Oscar's On The Pond" restaurant on Rancho California Road in Temecula. From I-15 North take Rancho California Road East a short distance past Ynez Road to the restaurant on the right.

Time: Departures from Oscar's starting at 10:00 am. The restaurant doesn't open until 10:30, but the manager has promised that coffee and bagels will be available for us at the take-out counter from about 9:30.

Maps will be issued and game cards will be sold at Oscar's for \$1.00 each (proceeds will pay for prizes) . Drivers will be free to tour the valley at random collecting their poker "hands" as they progress. Reassemble for picnic lunch and prize awards at Maurice Currie Winery at 12:00 noon.

Gourmet (read that as "pricy") table service brunches are available at Thornton and Callaway Wineries, but they both promise to be very crowded that weekend. Thornton will close in the early afternoon for a jazz concert (call 909-699-0099 for ticket information), and Callaway will be dominated by a huge charity lunch. Mount Palomar Winery has a small deli that will build take-out sandwiches to order, but they admit that service is slow on week-ends.

After lunch you can continue your tasting, hit the backroads of Riverside County for some interesting driving, or take a walking tour of Old Town Temecula which is loaded with antique shops and historic buildings. Temecula's annual Kite Day at Paloma Del Sol Park is also scheduled for that afternoon.

Wanted: Dealers for poker hands at check points. No experience necessary. Call Bob Anderson at 760-631-6975.
